At Taleo, you'll find more than just a job. You'll join a community of ambitious consultants who share a passion for growth, innovation, and teamwork. Together, we create an environment where you can develop your skills, take on new challenges, and truly make a difference.

What Will You Do?
At Taleo Consulting, we believe that **our growth starts with our people**. When our consultants thrive, so do our clients.
Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who **embody our values** and help us foster strong, trust-based relationships with both our **clients** and our **teams across the globe**.
Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for a **Product Manager – Cash Management** to join our journey and support a client in the banking sector.

- Reinforce the product development team on a strategic payments services program
- Drive a portfolio of transformation projects, ensuring end-to-end solutions across teams and geographies
- Act as single point of contact (SPOC) for the product team in global projects
- Align platform and tool roadmaps with target delivery dates and assess the impacts on your product
- Define and maintain the product roadmap in line with global strategy and market trends
- Prepare and attend project committees and report to the product team

- Define and prioritize the Agile backlog with IT teams and plan phased delivery
- Manage key risks and monitor and optimize the allocated budget
- Manage and influence stakeholders to ensure alignment
- Drive operational readiness and adoption of new processes (training, webinars, sales pitches)

How do we imagine our future Product Manager – Cash Management?

- At least 4 years of relevant experience in product management
- Master's degree in business management or similar
- Product vision, strategic roadmap definition and prioritization
- Requirement engineering: impact analysis, recommendations and detailed documentation
- Strong organizational skills, rigor and assertiveness
- Knowledge of electronic banking channels
- Product analytics fundamentals and data-driven decision making
- Experience working within Agile frameworks
- Nice to have: cash management, international flows, GPI and banking norms; experience managing global products across jurisdictions
- Strong written and spoken French; fluent English
- Client-centric, structured problem-solver, adaptable and collaborative, able to navigate ambiguity
- 50% on site, 50% remote; some travel in Europe (mainly France)

We attract top talent and empower them with the right environment to excel and drive collective success.

Why should you join us?
By joining Taleo, you'll become part of a **talented, international, and dynamic team**.
You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.
