Senior .NET Architect (WPF + Blazor)

Location: Brussels

Are you ready to take your career to the next level?
Do you thrive in environments that challenge and inspire you?
Would you like to grow within a team that values both excellence and enjoyment at work?

Taleo Consulting is an international management consulting group with offices in **France, Luxembourg, Belgium, The Netherlands, Switzerland, Spain, Singapore, Portugal, and Italy**.

We've grown into a team of **450+ talented professionals** across **10 offices worldwide,** partnering with leading organizations in **Financial, Life Sciences, Retail,** and **Energy** - Sectors, to drive transformation and deliver lasting impact.

At Taleo, you'll find more than just a job. You'll join a community of ambitious consultants who share a passion for growth, innovation, and teamwork. Together, we create an environment where you can develop your skills, take on new challenges, and truly make a difference.

What Will You Do?
At Taleo Consulting, we believe that **our growth starts with our people**. When our consultants thrive, so do our clients.
Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who **embody our values** and help us foster strong, trust-based relationships with both our **clients** and our **teams across the globe**.
Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for a **Senior .NET Architect (WPF + Blazor)** to join our journey and support a client in the energy sector.

- Support the design, evolution and governance of business-critical applications
- Contribute to the security of the electric network (power system security, not cybersecurity)
- Govern the team's architecture approach and source versioning policy
- Define and promote technical architecture standards, ensuring solution consistency
- Review designs and contribute to solution design
- Work closely with development teams, solution architects and business stakeholders

- Support the delivery of scalable, maintainable and high-quality software, following the client's standards
- Provide hands-on contribution when needed (not the core of the role)
- Work in an agile way adapted to the client, without daily Scrum meetings
- Handle the administrative aspects of the role

How do we imagine our future Senior .NET Architect (WPF + Blazor)?

- Must: .NET 8 / .NET 10 (and .NET 4.x)
- Must: experience with both WPF and Blazor
- Must: Azure DevOps, SQL, MongoDB, RabbitMQ and REST API
- Solid experience in Clean Architecture, architecture governance and design reviews
- Knowledge of Hangfire, NServiceBus, Dapr and Kubernetes
- Should: SEQ
- Nice to have: SignalR
- Good level of English and Dutch and/or French
- Onsite presence 2 days per week

We attract top talent and empower them with the right environment to excel and drive collective success.

Why should you join us?
By joining Taleo, you'll become part of a **talented, international, and dynamic team**.
You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.

Share your CV and take the next step in your journey with Taleo
