Junior Consultant SFDR Reporting – Asset Management

Location: Brussels

Are you ready to take your career to the next level?
Do you thrive in environments that challenge and inspire you?
Would you like to grow within a team that values both excellence and enjoyment at work?

Taleo Consulting is an international management consulting group with offices in **France, Luxembourg, Belgium, The Netherlands, Switzerland, Spain, Singapore, Portugal, and Italy**.

We've grown into a team of **450+ talented professionals** across **10 offices worldwide,** partnering with leading organizations in **Financial, Life Sciences, Retail,** and **Energy** - Sectors, to drive transformation and deliver lasting impact.

At Taleo, you'll find more than just a job. You'll join a community of ambitious consultants who share a passion for growth, innovation, and teamwork. Together, we create an environment where you can develop your skills, take on new challenges, and truly make a difference.

What Will You Do?
At Taleo Consulting, we believe that **our growth starts with our people**. When our consultants thrive, so do our clients.
Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who **embody our values** and help us foster strong, trust-based relationships with both our **clients** and our **teams across the globe**.
Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for **a Reporting Analyst SFDR** to join our journey.

About the role
You will contribute to the preparation, analysis and monitoring of sustainability-related regulatory reporting, ensuring compliance with the Sustainable Finance Disclosure Regulation (SFDR).
Working closely with internal stakeholders, you will support the production and quality control of regulatory disclosures while developing your expertise in Asset Management and sustainable finance.

Your responsibilities

- Contribute to the preparation and production of **SFDR regulatory reports and disclosures**.
- Collect, consolidate and analyse ESG and sustainability-related data.
- Ensure the accuracy, consistency and completeness of reporting information.
- Support the preparation and review of pre-contractual and periodic SFDR disclosures.
- Monitor regulatory requirements and contribute to the implementation of reporting updates.
- Collaborate with internal teams, including Investment Management, Compliance, Risk and ESG specialists.
- Identify data discrepancies and support the implementation of corrective actions.
- Contribute to the continuous improvement and optimisation of reporting processes.

Your profile

- Bachelor's or Master's degree in Finance, Economics, Business Administration, Asset Management or a related field.
- First professional experience or internship in **Asset Management, Fund Administration, Regulatory Reporting or ESG Reporting** is an advantage.
- Basic knowledge of **SFDR regulations** and sustainable finance principles.
- Good understanding of financial products and investment funds.
- Strong analytical skills and attention to detail.
- Good command of Excel and strong interest in financial data and regulatory reporting.
- Eager to learn, proactive, organised and comfortable working in a team environment.

Languages

- Fluent in **French and English** (both mandatory).

Practical information

- **Location:** Brussels, Belgium.
- **Working arrangement:** Hybrid – 50% remote work.
- **Seniority:** Junior.
- **Sector:** Asset Management / Financial Services.
